

--Hellenic American Academy--
The AXIOS Pledge

I pledge to live up to the ideals of the Hellenic American Academy today and every day and to strive to be a worthy member of our school community. Through my thoughts, words and actions, I will help make our school a place of **friendship**, **respect**, **trust** and **excellence**.

What is The AXIOS Pledge?

AXIOS comes from the Greek word **ἄξιος** which means “worthy”. The AXIOS Pledge is a commitment by our community to endeavor to do our best each day. It is a commitment by ALL of us (teachers, administrators, clergy, students and parents alike) to think, speak and act in a manner that elevates our community. In particular, as a community we strive to always:

- ✧ treat one another with compassion and respect;
- ✧ act with honesty and integrity;
- ✧ use our talents in outreach to help others and our school, and
- ✧ exert outstanding effort in every thing we do.

This Pledge represents our collective promise to ensure that every member of our community feels special and valued.
