- Your child's registration will not be considered complete until (i) all outstanding balances are fully paid (or arrangements made with Accounting Dept), and (ii) the current year registration fee is paid for each child.
- Registrations completed by **April 15** will entitle family to a \$250/child credit of the registration to be applied towards tuition.
- Payment of registration fees does not guarantee a spot in a particular teacher's class. Although we will try to accommodate reasonable requests regarding classroom placement (with emphasis given to first come, first serve), ultimately the school reserves the right to organize classrooms and assign students and teachers as they deem best for the educational needs of the class as a whole.

➤ **Priority Access to Financial Incentives**

Families with one or more children currently enrolled at the Day School who complete their registration for the 2011-12 school year by **April 15, 2011** will have priority access to all 2011-2012 Financial Incentive Programs.

➤ **Withdrawal Policy**

- For withdrawals prior to January 1, 2012, the family will be refunded half of the Basic Tuition & School Fees (*less any discounts or incentives*).
- No refunds for withdrawals after January 1, 2012.
- All other fees and charges such as: registration fees, fundraising fees, monthly billing surcharge, etc. are non-refundable and non-transferable.

➤ **Partial Year Enrollment Policy**

- The school year is calculated as 10 months (*i.e. September to June*).
- Basic Tuition and School Fees will be prorated to the nearest half month from the starting date.
- All other fees and charges such as: registration fees, fundraising fees, monthly billing surcharge, etc. are not prorated.

➤ **Limitations on Financial Incentive Programs, Discounts, Credits, etc.**

The terms of the Financial Incentive Programs or any other discount, credit or assistance will be strictly limited to what is expressly stated.
